Employments

Alarmtech Sweden AB, Sollentuna 2019-2020

Worked as logistics manager and order manager. Received orders via email and telephone, registered order in Visma, ordered deliveries and picked, packed and sent goods. Had the main responsibility for customer contact and supplier contact and responsible for sending all orders, both domestic and international. Got the opportunity to work with additional various practicals works the company was in need of help. I assembled and built junction boxes with associated cabling, following the instructions from a wiring diagram.

Solbrännan Restaurang och Café, Österåker 2017-2018

Summer job during the summer of 2017 and 2018 and extra work during the autumn. Has performed serving work with close customer contact, cashier service and handled bookings by phone. Developed good ability of customer service, with close contact with the customer, and practiced my ability of stress resistance.
